Every Hero
needs a name.

For a blind person,
a **guide dog** provides
increased **freedom**,
companionship and **safety**.

At Guide Dogs of the Desert, our specially-bred puppies live with a volunteer puppy raiser for their initial training, and socialization, returning to our desert campus to learn how to work as a guide dog.

Help a puppy
become a **HERO!**

Mission Statement

Guide Dogs of the Desert **improves the lives of the blind** by creating opportunities for **life-changing independence**, and by conducting community outreach and **education** programs.

Your sponsorship is **critical** to the future of our **HEROES**

Sponsoring a puppy provides our puppies with the essentials they need to be successful: crate, leash, collar, food, toys, vaccinations, training jacket, microchip, puppy raiser manual, and a travel tote bag. Your sponsorship also covers the cost of medical evaluations which are needed to become a guide dog.

Our puppy sponsors also receive the greatest benefit of all: **supporting** a **HERO** that will help a blind person by increasing their **independence**, providing them with **companionship** and the **safety** that only a trained guide dog can provide.
